Dear Parent or Guardian:

We are pleased to inform you that the East Allegheny School District, which includes the High School, Logan Middle, and Green Valley Primary, will be implementing a new option available to schools participating in the National School Lunch and School Breakfast Programs called the Community Eligibility Option (CEO) for School Year 2014-2015.

What does this mean for you and your child(ren) attending the school(s) identified above?

Great news for you and your students! All enrolled students of East Allegheny School District are eligible to receive a healthy breakfast and lunch at school at **no charge** to your household each day of the 2014-2015 school year. No further action is required of you. Your child(ren) will be able to participate in these meal programs without having to pay a fee or submit a meal application.

If we can be of any further assistance, please contact.
