April 10, 2014

Dear Parents and Guardians:

The recent events at the Franklin Regional High School are senseless. Our schools are no place for violence and fear.

I would ask the East Allegheny School District family and community to join together to extend our prayers and thoughts to all the Franklin Regional School District victims, families, students, parents and community during this sad time.

To the East Allegheny School District community: please be advised we have a well-rehearsed ready response plan and team. Our drills have been rehearsed every year for the past five years with our administration, staff, students and the response teams of the various local police and fire departments for incidents such as what Franklin Regional High School experienced on April 9, 2014.

We will continue to work hard in order to be prepared and to make the East Allegheny School District a safe and happy place for our children.

Sincerely,

A handwritten signature in black ink that reads "Roger A. D'Emidio".

Roger A. D'Emidio  
Superintendent
