

The Stanley cup photos are now posted on our website. Click on "View and Order" (upper right hand corner) and select "Logan Stanley Cup Day." Select your image. Indicate the quantity you would like of each package. Click "Add to Cart" and finish the check out process by following the on screen instructions.

Let us know if you have any questions. One thing that I have noticed is that once you click on an image that you would like to order it gives you the choice of our four packages, but doesn't tell you immediately what is included in each package. You have to click on "details" under the list of packages and this will bring up a window that has the contents of each package. I have listed the packages below if there is any question.

Thanks!
