

ANNOUNCEMENTS
Friday, March 6, 2010
Cycle Day 6

Word of the Week: “Uniqueness” Sponsored by Your Student Assistance Team. “ I would much rather have regrets about not doing what people said, than regretting not doing what my heart led me to and wondering what life had been like if I’d just been myself.” Brittany Renee

Reminder from the Athletic Office: Any student/athlete planning on participating in spring sports must have a physical and all forms must be turned in prior to participating. Spring sports begin on Monday, March 8, 2010. If unsure or need a physical form, see Coach Cortazzo in the athletic office. Extra forms will also be available in the nurse’s office.

The date of the prom has changed to May 22, 2010. Information is available outside the library.

Attention East Allegheny Students and Faculty. If you are interested in attending the Travel Club’s European Field Trip to Ireland, Wales and England during the summer of 2011, you must sign up during the month of March in order to receive your \$150.00 discount.

12th grade screenings will be done on Monday, March 8th and Thursday, March 11th. You will receive passes in your mailboxes the night before for each student. If you are unable to the students due to a test, please send them after the test. If they are absent that day, please return the passes to my mailbox. Please limit other students coming down those days. Thank you for your help.

Attention indoor drumline members: Call time for tomorrow is 1:15 p.m. Performance is at 4:51p.m. You will be dismissed after performance.

Athletic Schedule:
