

Alma for students

Overview (shown) will let you see your school attendance for the displayed day and and the current grade for your classes

Click on classes to see your schedule

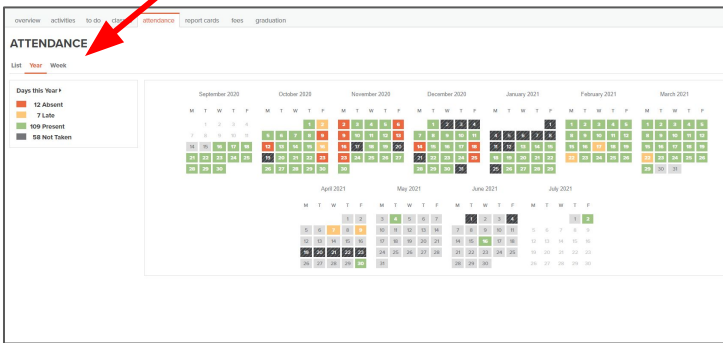

Click on the class to see grades on assignments

This where you will be able to see your report cards

Attendance can be viewed by list of dates, year or week

Transcripts and graduation pathway will eventually be viewable under the graduation tab

Change the view of your schedule to list, split (shown) or grid

This is where you will be able to choose classes for next year (when it's time more information will follow)
