High School

Fax: (412) 825-4570

Dear Parent/Guardian:

During the past school year, several notices went home reminding parents of the new immunization requirements for those students entering 7th grade as mandated by the Allegheny County Health Department (ACHD).

According to the information in your child's school records, verification dates have not been submitted to the school nurse for the following mandated immunizations:

1 dose of TDAP (tetanus, diphtheria, pertussis)

1 dose of MCV4 (meningitis vaccine)

It is imperative that you contact your child's physician immediately to obtain these vaccinations. Failure to receive documentation of these vaccinations will result in your child's exclusion from school beginning August 27th 2018. These requirements are mandated by law and are required of any student attending school in the Commonwealth of Pennsylvania.

If you wish, you may obtain these vaccines free of charge from the ACHD. You may call the health department at 412-578-8060 for times and locations.

If you have any questions or concerns please contact the school nurse, Mrs. Darcy Yeloushan 412-824-9700 ext 1700

Sincerely,
Mark Draskovich
Principal
