Logan's annual Holiday Snowflake Shop is taking place this year December 9th through the 13th. The Holiday Snowflake Shop gives our Logan Elementary children an opportunity to shop for gifts for their family in the secure atmosphere of the school and provides them with the opportunity to make real life shopping decisions and learn that giving is as important as receiving. Volunteers are needed to help set up the Shop on December 6th as well as to help the children with their shopping. To sign up to volunteer for this event, or if you have any questions, please contact Ashley 412-867-6886 or Nicole 412-334-3547.

Principal's Message

I would like to thank all those parents who were in attendance at the recent parent/teacher conferences. The parking lot was full most of the day. If you could not attend for various reasons, please call your child's teacher and arrange a conference to discuss any concerns or questions that you may have. If you have a child in grades 1-6 and do not have access to our online grading software, please contact the school with your email as soon as possible. Once your email is entered into the system, you will receive information on how to access your child's grades. We are also in the process of working with our "Parent Link" phone system to allow us to text and email all parents with district news. Look for more information in the future.

Monday, November 11, was a very important day for many of us, Veterans Day. This is a time when we say a special thanks to all those that served to protect our country. We had an amazing program organized by Mrs. Yusko, Mrs. Snyder and Mrs. Hultberg. Thank you to those three and all the Veterans that came into speak to our students and staff. When you wear RED, always Remember Everyone Deployed and who are actively protecting our country.

On Friday, November 15, we held our first honor roll and positive behavior assembly. It was great to see the majority of our students recognized for their positive behavior. Mrs. Carlson and Ms. Montgomery put together a "Logan Family Feud" game. Students in grades 4-5-6 were surveyed throughout the last month about what it is like to be a PROUD wildcat. Some students were called up onto the stage to answer questions, just like the real family feud. We ran out of time and were unable to call up Honor Roll (3-6) and Wildcat Workers (K-2), but their certificates were placed in their teacher's mailbox. Please encourage your child(ren) to continue to strive to do their best at all times.

Finally, I would like to say thanks to the PTO and their work volunteering at the book fair and upcoming holiday shop. Your support is greatly appreciated.

Have a safe and Happy Holiday.

Mr. Sean Gildea
