Let's Go Cats!

Team Conduct & Responsibilities:

In addition to representing yourself, you are also representing your squad, your coaches, your school and community. You must always conduct yourself appropriately. Your behavior on and off the field and in and out of school is expected to be positive at all times. Cheerleaders will promote school spirit at games and community events, along with keeping up with academics. Cheerleaders will be asked to provide coaches with grade sheets and must fall within the school grade point system to remain eligible. Our squad's success is dependent on your effort and willingness to work as a team.

*** If you are not willing to abide by rules and standards of the EA cheer program, the East Allegheny cheer team is not for you and you should not proceed with tryouts. ***

Summer Practice:

Practice will begin in June and will be two days a week. There will be one practice in the morning and one practice in the evening. Information on the summer practice schedule will be provided, once determined.

All other information will be communicated to you after making the team in regards to schedules, practices, uniforms, apparel, events, fundraising, etc.

We look forward to meeting you and having a fun and exciting season together!
