

**North Versailles Library**

# Winter Stories by Students

Do you enjoy writing? North Versailles Library is looking for student work that library staff can read and share on our YouTube channel and Facebook page.

## Story ideas:

- A story about your favorite winter activity (sledding, throwing snow balls, building a snowperson, etc.)
- A funny story (What would happen if Santa got lost? What if the person cooking a special meal forgets to turn on the oven and serves all the food cold?)
- Stories about Hanukkah, Christmas, or Kwanzaa

Please keep content and language school appropriate.

Submissions are requested by December 1 so that they can be recorded and shared.

**Please email finished stories to:  
nversailles@einetwork.net**
