CURRICULUM

**FIELD TRIP REQUEST
PITTSBURGH, PA (D)**

Mr. Paradine moved and Mrs. McCullough seconded the motion as recommended by the Administration the Board approve the request from Heather Hallick, Art Teacher, 25 Art Club students and one (1) additional teacher, to visit the Andy Warhol Museum, Pittsburgh, PA on Thursday, April 18, 2019 from 8:00 a.m. to 1:45 p.m. This trip will provide workshops to the students in the Art Club based on the Pop Art styles of Andy Warhol. This is the perfect opportunity to immerse the students in taking the gallery tour and then learn how to apply the techniques viewed throughout. This is something we cannot provide in our particular classroom environment. The Warhol Museum offers an excellent experience where the students may bring in materials to add in with the projects at hand. I hope to have several pieces of art in progress as the students leave the workshop.

COST TO THE DISTRICT Two (2) substitutes for one (1) day. Registration and transportation covered by a scholarship through the museum.

The motion was passed, no dissenting votes.

**FIELD TRIP REQUEST
NORTH VERSAILLES, PA (E)**

This is a positive behavior reward for students' efforts during the PSSA assessments. Student will try their best during PSSA testing in order to participate.

COST TO THE DISTRICT: None. Transportation and admission costs paid for by students and building fundraising.

The motion was passed, no dissenting votes.

**CONFERENCE REQUEST
HOMESTEAD, PA (F)**

Mr. Paradine moved and Mrs. McCullough seconded the motion as recommended by the Administration the Board approve the requests from Kelly Wolesslagle, Special Education Teacher and Candice Tedesco, Math Teacher, to attend the "Building Conceptual Understanding of Multiplication and Division" workshop at the Allegheny Intermediate Unit, Homestead, PA on Wednesday, May 8, 2019 from 9:00 a.m. to 3:30 p.m. When students are able to first develop a concrete understanding of the math concept/skill, then they are much more likely to perform that math skill and truly understand math concepts at the abstract level. Participants will be able to apply concepts learned to benefit special education and regular education students in the co-taught mathematics classrooms. Establishing a better understanding of multiplication and division will enable students to perform higher level math problems including open ended responses that require students to identify what operation to use and why.

COST TO THE DISTRICT: Two (2) substitutes for one (1) day. Costs have been budgeted.

The motion was passed, no dissenting votes.

CURRICULUM

**FEDERAL PROGRAMS
REPORT**

FEDERAL PROGRAMS REPORT

Submitted by
Betsy D'Emidio
for
March 2019

The March Monthly Personnel Activity report for Split-time Federal Employees was completed and submitted to Mr. MacFann.

I met with the Title I Staff to plan our Parent Engagement Spring Event which is necessary to meet our Federal Programs Parent Engagement obligation. We will be hosting a Spring Bingo event on May 10th for the Title I students and their parents. The Bingo winners will receive a book as a prize and all students will win a book of their choosing. Light refreshments will be served.

I contacted parents of Title I students to inform them of the July Title I SPAC Parent Conference. Mrs. Piccini and I will soon be supplying parents with details and registering those who would like to attend the event.

Mrs. Piccini and I are completing the E-grant Allocation Adjustment. It will be submitted by April 12, 2019. The Title I allocation decreased in the amount of \$1089.00 and the Title IV allocation increased by \$489.00. I have also consulted with Joe Pisciotto from the AIU3 in regards to updating the Title I Revision Form.

The number, name and addresses of our low-income Title I students have been confirmed with the Non-Public Schools that service students who live in the East Allegheny School District. Our students are progressing well.

The Virtual Goggles purchased through Title IV are continuously being used in the classroom both at the High School and at Logan. Most recently, a teacher from Logan used the goggles to teach a lesson on Dinosaurs. I received positive feedback.

The Assembly "Off Script" that took place on March 23rd ran smoothly. All students in grades 7-12 were attentive and took the message of drug abuse seriously. Students got the opportunity to ask questions and the 7th-9th graders asked for autographs.

OLD BUSINESS: None.

NEW BUSINESS: None.
