Dear Parents/Guardians:

2024-2025

The east Allegheny School District is required by law to inform you if your child is being taught for four or more consecutive weeks by a teacher in a Title I school or program who does not yet meet the definition of “appropriate state certification.”

This letter is to inform you that your child’s teacher _____
Is in the process of meeting these requirements, and we are providing him/her the support necessary for success.

Your child’s teacher is dedicated to the success of every student in the class. As the year progresses, please feel to contact us and request additional information regarding your child’s progress.

I thank you for your continued support of your child’s education and encourage you to communicate with his or her teacher on a regular basis.

Sincerely,

Mr. Joe DiLucente
Superintendent
