

About UPMC Sports Medicine

UPMC Sports Medicine provides world-class care to help treat and prevent sports-related injuries and training programs to improve all aspects of athletic performance for professional athletes, weekend warriors, and young athletes. Whether you are young or old, professional or amateur, UPMC Sports Medicine has the expertise, advanced technology, and services to make a difference in your care.

We value our partnership with high school athletes and their families, providing more than 100 certified athletic trainers to schools in the region. Our athletic trainers are on the sidelines managing injuries and providing emergency care, as well as delivering therapeutic interventions and rehabilitation to help athletes safely return to their sports. Thank you for being a part of the UPMC Sports Medicine family. To learn more, visit UPMCSportsMedicine.com or call 1-855-93-SPORT (77678).
