Mark Draskovich  
Director of Pupil Services

Dear Parent or Guardian:

Allow me express our school district's commitment to providing support to our student's and their families to achieve the best educational experience available. Our teachers, counselors, support staff and administrators will work with you and your child so that they are challenged to learn and grow into the best young men and women they can be.

Among other duties, the office of Pupil Personnel at East Allegheny includes direct or partial responsibility for the following programs:

- Alternative Education and Cyber Day Program
- Title III (English as a Second Language)
- Chapter 15/504 Agreements (Modifications to allow students to participate)
- Medical Services
- Guidance Services
- School Social Worker/Home School Visitor
- Homeless Families
- Student Assistance
- EA Academy (The district's cyber curriculum option)
- The Families for Families Program
- Homebound Instruction
- Home Schooling
- Title IX Compliance
- PSSA/PSSA-M/PASA Testing/Coordination
- Out of District Transportation
- Pre-Assessment Tier II and III Interventions

East Allegheny School District will do all it can to work with you for your child's academic success. To help us work together effectively, we are coordinating a parent support and informational group where parent may discuss similar experiences and share ideas and parenting solutions to help our students succeed to the best of their abilities. Information on this group called *Families for Families* will be available on this web site. Please call my office for information on our meeting dates. I will be looking for parents to play a leadership role to help meet our needs as students, families and educators.

I look forward to working with you to help our student grow to their highest potential.

Sincerely,

Mark M. Draskovich  
Director of Pupil Services
