

Parent-Student-Teacher Compact

Logan Elementary School

It is our goal at Logan Elementary School to give every child the opportunity to reach his/her full potential in intellectual, emotional and physical growth. We are committed to providing the best education possible for each of our students. We know that learning can take place if there is a combination of effort, interest and motivation on the part of the school, the home and the community, working together toward the end.

This compact is a voluntary agreement and a promise of commitment to help your child progress in school, promoting his/her achievement. We believe that this agreement can be fulfilled through our team effort.
