

Logan Elementary School School-Parent Involvement Policy

Parents, staff, and students of Logan Elementary School will work together as partners to ensure the best possible education for all students. This includes working together to plan, design, implement, and evaluate the educational programs at Logan Elementary School.

To accomplish this goal, Logan Elementary School will do the following to involve parents in the joint development of its school parental involvement plan under the Title 1 Parent Involvement section of the No Child Left Behind Act (NCLB).

- Host an annual orientation meeting at the beginning of the school year to inform parents of the school's participation in the Title 1 program and to explain the requirements and their right to be involved.
- Provide frequent reports about their child's progress. This can be in person, telephone, or through electronic mail
- Provide parents and staff an opportunity to evaluate the Title I Program and have input in its implementation
- Provide opportunity to define, plan and utilize the school-parent compact and explain how the entire school staff and students will share in the responsibility for improved student achievement
- Solicit opinions/interests of parents at PTO and Title I meetings
- Provide assistance to parents in understanding the State's academic content standards and student's achievement standings, local academic assessments and how to monitor a child's progress and work with teachers to improve the achievement of their children through utilizing the PDE website, dissemination of materials, and parent meeting

Logan Elementary School will provide materials and training to help parents work with their children to improve their children's academic achievement by

- Holding meetings throughout the year to address parental questions/concerns
- Conducting informative sessions concerning expectations of students.
- Distributing and discussing scores at individual parent conferences
- Providing strategies for parents that will assist in the improvement of their child's education experiences
- Providing after-school tutoring
- Providing books and materials to students and parents
- Encouraging access to technological programs such as harcourtschool.com and various learning websites provided by the school staff
- Accessing the East Allegheny curriculum based on PA state standards, located on the PDE website

The school will invite all parents of children participating in Title I, Part A programs to meetings and will encourage them to attend by

- Providing childcare
- Sending home written reminders
- Asking for parental input through the use of an evaluation tool
- Holding an annual Open House
- Holding parent conferences during both day and evening hours.
- Arranging school meetings at a variety of times
