Annual Parent Notice Right to Request Teacher Qualifications

Dear Parent/Guardian:

Our school receives federal funds for Title I programs that are part of the No Child Left Behind Act of 2001. Throughout the school year, we will continue to provide you with important information about this law and your child's education.

You have the right to request information regarding the professional qualifications of your child's classroom teacher(s). If you request this information, the district or school will provide you with the following as soon as possible:

- Evidence that the teacher has met state licensing requirements for the specific grade level and/or subjects that is instructed.
- If the teacher is instructing under and "emergency" status for which state licensing requirements have been waived.
- The type of college degree major of the teacher and the field of discipline for any graduate degree or certificate.
- If your child is receiving Title I services from paraprofessionals, and if so, the paraprofessionals qualifications.

If you would like to request any or all of the above information, please contact our district office at 412-824-8012 extension 4158.

Thank you for your continued interest and involvement in your child's education

Yours truly,

Betsy D'Emidio
