FOR IMMEDIATE RELEASE

East Allegheny School District Welcomes New Leadership for 2025-2026 School Year

North Versailles—August 21, 2025 — The East Allegheny School District is proud to welcome three new leaders who bring experience, vision, and a student-centered approach to their roles. Each will play a critical part in shaping the educational experience and outcomes for students across the district.

“As we continue to strengthen our professional culture, I’m confident Shaun, Mike, and Devin will be key contributors,” says East Allegheny School District Joseph DiLucente. “Their passion for instructional leadership and ability to build trust with staff, students, and the community will support our ongoing growth.”

The district looks forward to the leadership and dedication these individuals will bring in service of East Allegheny’s students, staff, and families.

Shaun Tomaszewski Named Executive Director of Curriculum, Assessment, and Innovation

Shaun Tomaszewski joins East Allegheny with a strong focus on aligning curriculum, instruction, and assessment to ensure measurable student growth. With leadership experience in Baldwin, Northgate, and Pittsburgh Public Schools, Mr. Tomaszewski is committed to building systems that prioritize core academic skills while also advancing innovation and whole-child learning. He holds degrees in Microbiology, Neuroscience, and Science Education, and is completing his PhD in Administrative and Policy Studies at the University of Pittsburgh.

Michael Toole Appointed Principal of Logan Elementary

Dr. Michael Toole steps into the role of principal at Logan Elementary with a focus on relationships, equity, and student success. He brings over a decade of K-12 teaching and leadership experience, most recently serving as principal of Highlands High School. Dr. Toole emphasizes trust-building, visibility, and restorative practices to create an inclusive and supportive school culture. He holds undergraduate and graduate degrees from Penn State University and a doctorate from Point Park University.

Devin Milbourne Appointed Assistant Principal of Junior High School

Devin Milbourne has been named Assistant Principal at East Allegheny Junior High, following his service as an 8th grade science teacher and acting assistant principal during the previous school year. With 15 years in education, Mr. Milbourne is known for strong communication, commitment to student development, and collaborative approach. He is focused on developing student engagement, building strong relationships, and supporting a positive school culture for 7th and 8th grade students.

About East Allegheny School District

East Allegheny School District serves the communities of North Versailles, East McKeesport, Wilmerding, and Wall, with approximately 1,340 students enrolled in kindergarten through 12th grade. Students in grades K-6 attend Logan Elementary School, while those in grades 7-12 attend the East Allegheny Junior/Senior High School. The district also welcomes students in grades 8-12 from the Duquesne City School District.

The East Allegheny school community reflects a diverse mix of urban and rural backgrounds, bringing unique perspectives to classrooms and school life. The district follows Pennsylvania state standards and is committed to providing meaningful, engaging instruction tailored to students' individual needs. Through strong collaboration among teachers, staff, administrators, and the School Board, East Allegheny supports student growth academically, socially, and personally.
