To: East Allegheny Families
From: Donald L. MacFann, Superintendent
Date: March 11, 2020
Re: **COVID-19**

The East Allegheny administrative team met on 3/5/2020 to review information on the Coronavirus (COVI-19). Ms. Stark, School Nurse, reviewed current information provided by the Centers for Disease Control (CDC), PDE, Allegheny Health Department and the AIU. We set forth the following recommendations:

1. Twice daily walk through cleanings of common touch objects through the buildings, including hand rails, door handles/knobs and rest room areas.
2. Enhanced cleaning of classroom areas.
3. Discontinuing the use of wooded or plastic hall passes.
4. Weekly disinfectant 'fogging' of common areas such as auditorium and gymnasium.
5. Parent let containing information, suggestions and precautions.
6. Inclusion of Pandemic Flu information and actions in the District Emergency Response/Crisis Plan.
7. Posting of parent/community information in the District web site.

Ms. Stark will continue to provide updated information regarding COVID-19 in school communities. We are planning to meet again within the next week to review recommendations and procedures.

As always, please do not hesitate to contact me should you have any questions, suggestions and/or concerns.
