Re: **Superintendent's Message- Schools Closed Indefinitely**

Dear East Allegheny School District Community:

This afternoon Governor Tom Wolf announced that he has extended the stay-at-home order for all affected counties, including Allegheny, through the end of April. Additionally Gov. Wolf announced that all Pennsylvania schools will remain closed indefinitely.

For the East Allegheny School District this means that for the 2019-2020 school year, we are first continuing forward with providing planned online instruction for our Senior students in order for them to graduate as planned. Secondly, we will be sharing enrichment and review activities for students in all grades: Kindergarten through grade 11. We will continue to update our parents and District community with all plans via these robocalls, on our website www.eawildcats.net and our District Facebook page.

We encourage all District community members to do your part to stay safe and keep others safe by following and respecting the stay-at-home order.

Thank you,

Jamie Griesbaum on behalf of Mr. Mac Fann, Superintendent
