Re: Message from the Superintendent-Lunch Deliveries and YouTube messages

This Superintendent's message is providing information regarding lunches and upcoming changes within the lunch delivery schedule and Mr. Gildea's upcoming YouTube segments.

First, beginning Monday, March 30, 2020 school lunch deliveries will take place on Monday, Wednesday, and Friday. On Mondays, Wednesdays, and Fridays our cafeteria delivery service will provide each school aged child two bagged lunches on each delivery day. By giving an additional bagged lunch on Friday, our children will be provided additional food for the weekend. Any changes to the physical locations or van drop-off locations will be shared with our parents and guardians through our robo-call system, district webpage and Facebook page.

Second today, Mr. Gildea, our Logan Elementary Principal, will begin producing periodic YouTube segments geared toward activities that will assist our parents, guardians and caregivers on educational methods to encourage students the opportunity to take part in academic and pro-social activities. The first YouTube segment will be shared beginning on Thursday, March 26th at 12 noon. All parents will be provided with a YouTube link. This link will also be found on our district web page, Facebook page, and email and text notifications.

Please check our website www.eawildcats.net for ongoing communications.

Thank you.

Don L. MacFann
Superintendent of Schools
