Attention Parents and Guardians of Students who Reside in the East Allegheny School District and Attend a Non-Public or Charter School

The East Allegheny School District is currently operating under a 100% remote instructional model. There are no students attending any classes within any of our schools and all instruction is being provided on-line.

As a result of this, the District will NOT be making any announcements or directives concerning school delays or cancellations due to inclement weather. All of our classes will be held as scheduled.

If you have questions or concerns about the status of bus transportation for your child's school, you are encouraged and advised to contact your school directly for information on delays or cancellations.

The East Allegheny School District offices will not have any information to provide on the status of your child's school so please do not contact us for that purpose.

Thank you very much. On behalf of the Board of School Directors we wish all of you a safe and healthy holiday season.

Thank you.
