

Parents Are Welcome in School

Teachers & staff of Logan Elementary School and the East Allegheny School District are super excited for the upcoming 2020-2021 school year and are here to help make the transition into Kindergarten easy & fun for future students and their families!

Two nights of special events & activities are scheduled called **PAWS Nights** (Parents Are Welcome in School). Parents play the *MOST IMPORTANT ROLE* in a child's life.
BE INVOLVED! 😊
