Dear Parents and/or Guardians,

The East Allegheny School District would like to thank you for your patience as we transition to our new transportation provider AKS, Inc. As with any change, there are expected to be challenges. We have been working diligently with AKS to overcome these challenges and ensure the safety of all students of the East Allegheny School District. In order to address some of the concerns that have been brought to our attention, it is necessary to modify the morning Junior/Senior High School Bus Schedule.

Please pay close attention to the highlighted information on the revised bus schedule. These changes will take place starting on Monday morning, September 14, 2015. The bus assignments for your son or daughter will not change unless you have already been contacted by AKS or the district. Morning pick up times are being adjusted for the Junior/Senior High School students only. No student attending Logan Elementary will be affected by the time change.

This updated schedule will also be posted on the district web site at [www.eawildcats.net](http://www.eawildcats.net) . Please make sure that your son or daughter is at their assigned stop at least 10 minutes early on Monday to be sure that they don't miss their pick-up.

Again, we thank you for your patience and cooperation during this transition.

Sincerely,

Betsy D'Emidio
