PRINCIPALS' MESSAGE TO STUDENTS AND PARENTS

Welcome to the 2017-18 school year. The middle school program is specifically designed to meet the educational, social, and emotional needs of today's young adolescent. Recognizing that every student is unique, this instructional staff is committed to providing each child with educational opportunities that are rigorous, relevant, and engaging. We will bolster our programming with the academic supports designed to generate successful outcomes in all subject areas. We want our students to experience activities that are supported, meaningful and meet the needs of the 21st century learner. We urge each student to strive for academic success and to take responsibility for their learning. You must develop your skill sets to realize your true capabilities. We offer activities in the arts, sports, music, and other areas of interest that can offer every child a well rounded educational experience. We will provide an environment that is nurturing and safe for all. We ask that our parents be active and totally involved in your child's education. You are important and we value your input. Welcome to the community and we wish all an outstanding school experience.

The School Board, administration, teachers and support staff work together to insure exemplary academic and social growth of the students in our school district. In addition, students are encouraged to participate in non-academic activities such as sports, music, art and dramatic activities that provide opportunities for personal achievement, growth of self-esteem and the development of pride in our schools. The role of the parents in the personal and educational growth of the children cannot be minimized. District personnel and parents need to work together, be proud of our schools, and support each other to meet the challenge of educating children for society today. As in any society, there are policies, procedures, and expectations for everyone to follow in order to create an atmosphere that is safe and conducive to learning. With student rights there are also student responsibilities; therefore, parents are urged to closely read this handbook and discuss the contents with their children. If additional information is needed or there is a particular concern, contact your teachers, counselors, or administrator by calling or coming to the school office.

Working together throughout the school year as "partners" will ensure achieving our goals.

Mr. Draskovich

ATTENDANCE

State code 11.25 requires all enrolled children who attend an approved educational institution to have consistent attendance. Legal excuses for absence are:

- Illness
- Death in the immediate family
- Personal** religious holidays
- Other urgent reasons
- (which the principal must approve)**

A written excuse to the child's homeroom teacher within two days of returning from an absence is required. The note must have the date of the absence, the reason for it, and the signature of a parent or guardian. If no excuse, is turned in within the required time period the absence is considered illegal.

After three days of illegal absence, parents will be sent a warning letter. The school is required by law to institute legal action for any subsequent illegal absences.

When a student accumulates ten excused days of absence during the school year, each absence thereafter is subject to review by school authorities to determine whether such an absence represents chronic irregular attendance. At that point, authorities may request a physician's statement verifying the absence. See fuller policy description included.

TAKE YOUR CHILD TO WORK DAY

The East Allegheny School District understands that "Take Your Child to Work Day" has evolved into a nationwide program and has many benefits. This being said, the EASD is still held accountable for student attendance as per the Pennsylvania Department of Education attendance guidelines. If your child is absent from school, written notification on company letterhead stating the reason for the absence is required to be considered for an excused absence.

A copy of the district's attendance policy is available for parents to review online or upon request

Students are required to show proper attention to personal cleanliness. Fashions and fads that constitute a health and safety hazard to oneself or others will not be permitted. Student dress and personal appearance must be of such character so as not to disrupt or distract from the education environment of the school. If a child wears inappropriate clothing he/she will not be admitted to class until appropriate clothing has been brought from home and the child has changed. The School Administration has the right to designate which type of dress or appearance disrupts or detracts from the education programs and thus:

BUS POLICY

ALL STUDENTS WILL BE TRANSPORTED TO AND FROM SCHOOL BY BUS. Safety is the prime concern of everyone. It is important that you and your child review the bus regulations as prescribed by the Bureau of Traffic Safety and the East Allegheny School District. Students are to ride on the bus assigned to them by First Student, and get on and off the bus at their designated stop. **If you would like your child to be a walker, please send a letter to school giving this permission. Students are not permitted to change buses without permission from the District Office.**

RIDING THE SCHOOL BUS IS A PRIVILEGE. Students are not permitted to ride an unassigned school bus on a temporary basis unless an emergency situation exists and the school has granted approval.

LEAVING THE BUS STOP

If the school bus does not arrive at the bus stop on time because of mechanical failure, road or weather conditions, the pupil is expected to wait for the bus at least one-half hour in inclement weather and one hour in fair weather. If the pupil leaves the bus stop, the pupil is to return to his/her home so that he/she can be contacted by the school if need be. Failure to be at home will result in an unexcused absence.

BUS BEHAVIOR

1. Bus riders are to be at their scheduled bus stop five minutes before the bus is due.
2. Bus riders **MUST** follow driver directions the first time given.
3. Bus seats are assigned by the driver and must be occupied until permission is given by the driver or school personnel to make any changes.
4. Bus riders must remain in their seats **facing forward** while the bus is in motion.
5. Bus riders must use appropriate voices, language and gestures,
6. Bus riders must treat others and their property with kindness and courtesy.
7. Any person willfully damaging or marring a bus will be held responsible for any such actions.
8. Bus behavior infractions carry the same penalties as school infractions (see section on discipline).
9. Students are only permitted to ride their assigned buses home and get off at his/her designated stop. Failure to adhere to these procedures will result in disciplinary action.

Fighting on the bus and/or at the bus stop is a MAJOR OFFENSE and will be dealt with as per the Discipline Policy.

Bus offenses:

1. First offense - meeting with the principal and/or detention assigned
2. Second offense - 1 day bus suspension
3. Third offense - 3 days bus suspension; parent conference will be held.
4. Fourth offense - 5 days bus suspension; parent placed on notice.

After a fifth incident, a parent conference will be held to determine if the child should lose bus privileges for the rest of the year.*

PLEASE NOTE: Should a student receive a bus suspension, the student is still expected to be in school. It is the responsibility of the parent/guardian to arrange transportation for the student to attend school.

DISCIPLINE POLICY

INTRODUCTION

The proper functioning of any social system requires some regulation of its members. This is no less true of a school system than it is of a society. For a school system to function properly the conduct of student must conform to conditions that are conducive to learning.

The procedures, including rules, by which order is maintained in a school, are referred to as discipline. In general the system of discipline in a school will reflect the system found in a broader society.

Discipline strives to seek proper conduct through learning rather than by arbitrary authority. The student is to be guided in the development of self-control and of a sense of responsibility to other students and the school. Discipline entails the organization and operation of the school in such a way that situations leading to disorder will be largely avoided, and at the same time a maximum amount of opportunity for the development of self-control is provided.

DISCIPLINE CODE

In order for a discipline code to be effective in reducing behavior problems, it must structure misbehaviors into categories from minor to major and provide appropriate disciplinary options for these misbehaviors. Through dissemination of information, students, parents and staff will become aware of which options will be utilized for disciplinary action. With the correlation of misbehaviors with disciplinary options, the school district ensures that its disciplinary procedures are fair, firm, reasonable and consistent. The discipline code represents a continuum of misbehaviors based on the seriousness of the act and the frequency of occurrence. In each level, examples are listed with possible disciplinary options.

The discipline code is applicable on school grounds, in school buildings, on school buses, during school activities, field trips, and excursions and from the time of departure for school until arrival at home.

Any of the foregoing policy consequences as applied to exceptional children shall be subject to compliance with IDEA.

Any of the foregoing policy consequences as **applied to exceptional children shall be subject to compliance with IDEA.**

East Allegheny School District
DISCIPLINE POLICY

PHILOSOPHY

The East Allegheny School District believes it is the responsibility of the school, home and community to provide an atmosphere of purpose and concern for education and the individual. To achieve this goal, the Middle School subscribes to the following rules:

1. Keep your hands and feet to yourself at all times.
2. THERE IS NO SUCH THING AS “JUST PLAYING!”
3. Walk quietly in the halls.
4. Treat others as you want to be treated .
5. Follow the directives of teachers and staff members.

Everyone in the school community must assume a role in providing an orderly school environment. An orderly school environment requires a code of discipline that defines responsibilities, categorizes unacceptable behaviors and provides for appropriate disciplinary responses and options. A discipline code must:

1. Be preventative in nature.
2. Promote self-discipline and personal responsibility.
3. Concern itself with the welfare of the individual and the school community.
4. Promote a positive relationship among students, parents and the school staff.
5. Distinguish between minor and serious infractions as well as between first and repeated infractions
6. Provide disciplinary responses that are appropriate to the misbehavior.
7. Be enforced by all in a fair, firm, reasonable and consistent manner

A set of rules does not replace the administrator's judgment in the review of discipline incidents. In order for schools to be safe and orderly places of learning, rules must be obeyed. These rules are written to provide direction. However, in daily activities, one basic rule is that good sound judgment must be exercised in light of the conditions of the moment.

RESPONSIBILITIES OF THE SCHOOL COMMUNITY

Discipline is the responsibility of the entire school community. Members of the school community expect the school environment to be safe, organized and conducive to teaching, learning and living.

It is the responsibility of the students, teachers, parents, administrators and the Board of School Directors to provide and maintain such an environment.

STUDENT RESPONSIBILITIES

Students attend school to receive a quality education. Therefore, each student should:

1. Know all the rules and regulations for student behavior.
2. Accept responsibilities for his/her actions.
3. Understand that, by law, the teacher functions in place of the parent while the student is in school.
4. Recognize that teacher and principal authority extends beyond the classroom and to all school sponsored activities.
5. Respect and protect school property and the property of others.

PARENT RESPONSIBILITIES

A positive relationship between the home and the school enhances the student's achievement and development. To achieve this relationship parents are expected to:

1. Know all the rules and regulations for student behavior.
2. Be aware of the responsibilities established for their children by school personnel.
3. Teach and provide a model for self-respect, respect for the law, respect for the rules of the school, respect for school personnel and students and respect for public property.
4. Provide a home atmosphere conducive for study.
5. Support prompt and regular school attendance.

TEACHER RESPONSIBILITIES

Teachers have the largest proportion of contact hours with students than any other school personnel. Teachers' responsibilities extend beyond content matter instruction to the support and enforcement of school rules and regulations. In order to achieve educational goals, teachers must:

1. Know all the rules and regulations for student behavior.
2. Reinforce the discipline code as it relates to the classroom.
3. Enforce all rules in all areas of the school.
4. Provide an atmosphere of mutual respect and encourage a positive self-image and sense of self-worth for each student.
5. Serve in place of the parent in matters of discipline in accordance with Pennsylvania School Law.
6. Handle minor student infractions of the discipline code. Report to the principal any student who threatens his own safety or the safety of others or who seriously interferes with the educational process.
7. Develop a cooperative relationship with parents and students.

PRINCIPAL RESPONSIBILITIES

Principals assume total responsibility for the orderly operation of the schools. The building principal must:

1. Know all the rules and regulations for student behavior.
2. Provide a climate of mutual respect and assume responsibility for dissemination and enforcement of the discipline code.
3. Be available to teachers, parents and students in order to resolve discipline problems.
4. Provide orientation and in-service programs on student discipline.

CENTRAL ADMINISTRATION AND BOARD OF SCHOOL DIRECTORS RESPONSIBILITIES

As the educational leaders and policy makers the Board of School Directors and the Central Office Administration must:

1. Maintain an atmosphere of openness and mutual respect.
2. Develop, implement and maintain an appropriate discipline code.
3. Provide a safe and secure environment for all members of the school community.

FOOD FIGHTS/PRANKS

Students who engage in food fighting, or who bring in prank items such as silly string, beach balls, air horns, balloons, etc. will be suspended from school for ten (10) days and will have charges filed against them.

ILLEGAL USE/SALE OR POSSESSION OF TOBACCO

The use of tobacco products in public schools is against the law of Goals 2000, and it is illegal for minors to use or possess tobacco products. In the event that a student is caught using or possessing any tobacco product, a citation will be issued and the proper authorities will be notified.

For the purpose of this policy, tobacco use shall mean all smoking and the use of smokeless tobacco in any form. **THIS INCLUDES POSSESSION OF A CIGARETTE, CIGAR, PIPE OR OTHER SMOKING EQUIPMENT.** Violations of this policy will be subject to BOCA code enforcement. All district administrators are BOCA Code enforcement personnel.

1st Offense	3 days OSS, Citation*
2nd Offense	3 days OSS, Citation*
3rd Offense	5 days OSS, Citation

Seventh and eight graders may use a combination lock to secure their belongings, a copy of the combination must be provided to the homeroom teacher. Student are not permitted to give their combination to another student. No student is permitted to use another student's locker unless assigned by the school.

It should be remembered that a student's locker is the property of the East Allegheny School District. District authorities and/or their agents may search a student's locker and seize any illegal materials. The search of a student's locker may be without warning if there is a reasonable suspicion to believe that the locker contains materials which may pose a threat to the health, safety and welfare of students, employees or visitors. Furthermore, District authorities shall conduct random canine sniffing of each locker throughout the school year, even without probable cause to do so. Any illegal items may be seized by District authorities and/or law enforcement agencies and used as evidence against the student in the proper forum.

PROFANITY

Students who use profane language directly toward or in response to a direction or statement made by a faculty member, administrator, or staff member will be suspended out of school for a period of **three** days. Students who use profanity in school and other public areas will be suspended for **two** days and may possibly be cited, unless the profanity being yelled is directed toward a faculty or staff member. This policy will also apply to instances where students have written profane, obscene, threatening, or otherwise inappropriate comments about an administrator, faculty or staff member. Repeated infractions will result in additional days of suspension.

HAND GESTURES

Students who make obscene and/or profane hand gestures at or in response to a faculty member, administrator, or staff member will receive a three day out of school suspension. **Students who make any threatening or obscene hand gestures towards another student will receive two (2) days out of school suspension.**

STUDENTS ARE PROHIBITED FROM BRINGING THE FOLLOWING ITEMS TO SCHOOL:

Sharpie or other magic markers
Tobacco, lighters, matches, rolling papers, cigarettes, cigars, pipes

Inappropriate, illegal, and/or dangerous/prank items will not be returned to the student. The school administration has the right to designate any of the above items as prohibited.

INAPPROPRIATE PHOTOS/VIDEOS

The use of the electronic device to record a video or take a picture of anyone is prohibited in the school, on the bus or at the bus stop as well as the time it takes for a student to walk to and from their home to the bus stop. The District reserves the right to monitor, inspect, copy, and review a personally owned device or file when administration has a reasonable suspicion that a violation has occurred. Failure to abide by these guidelines will result in discipline as per school policy.

Students who use a camera or cell phone to take inappropriate photos or videos of another student, teacher, administrator, support staff member, security personnel or any other persons with or

without that person's knowledge and/or distribute those photos to others will receive 10 days O.S.S., notification to proper authorities and referral to the Superintendent for expulsion procedures. (School Board Code 218)

Cellular telephones that have the capability to take photographs or to record audio or video shall not be used for such purposes while on district property or while a student is engaged in school-sponsored activities, unless expressly authorized in advance by the building principal or designee.

HOMEWORK POLICY

Students should expect to be receiving homework assignments in every cognitive, textbook oriented class for which they are registered. The amount of homework done daily or weekly will vary among various courses. However, every teacher in textbook oriented academic courses is expected to provide proper and adequate homework assignments for students. In general, students can expect to be assigned a combined total of approximately twenty minutes of homework daily from their scheduled courses.

Teachers are instructed to use the following guidelines in homework assignments:

1. All assignments should have a definite relevance and purpose to overall objectives and student learning outcomes.
2. Teacher expectations for all assignments should be clearly explained to students regarding format, grade value, relevance to the course, and due dates.
3. All assignments should be checked and returned to students for learning reinforcement.
4. Academic homework assignments should never be assigned as a disciplinary measure.

ELECTRONIC DEVICES

Students are permitted to bring electronic devices to school upon approval by the building principal. The district shall not be liable for the loss, damage, misuse, theft of any personally owned device brought to school. All electronic devices must be kept concealed and off throughout the day. The use of the electronic device to record a video or take a picture of anyone is prohibited in the school, on the bus or at the bus stop as well as the time it takes for a student to walk to and from their home to the bus stop. The District reserves the right to monitor, inspect, copy, and review a personally owned device or file when administration has a reasonable suspicion that a violation has occurred. Failure to abide by these guidelines will result in discipline as per school policy (Policy #218, Minor Offenses).

CITATIONS - The School District reserves the right to issue disorderly conduct citations, as defined in the Crimes Code of Pennsylvania, Chapter 55: Riot, Disorderly Conduct, and Related Offenses. The School District may issue citations in any of the following situations:

- Student Fighting
- Student Horseplay
- Student harassment and/or threats
- Student disruptive behavior, including the use of obscene and profane language and gestures
- Vandalism
- Violation of the BOCA Code- smoking and possession of tobacco products and smoking apparatus

THREATS- All threats will be taken seriously by the East Allegheny School District, even those made in jest. Anyone making threats against faculty, staff, or students at East Allegheny will be subject to any and all appropriate criminal or civil penalties as well as discipline

DRUG AND ALCOHOL POLICY

ALCOHOL AND OTHER DRUGS - The Board recognizes that the abuse of controlled substances is a serious problem with legal, physical and social implications for the whole school community. This policy, including its regulations and guidelines, is a coordinated effort to openly and effectively respond to the potential and current uses and abuse of alcohol; other drugs, and mood-altering substances by students of the East Allegheny School District.

The District will strive to educate, prevent and intervene in the use and misuse of alcohol, drugs and mood-altering substances by district students. A drug and alcohol prevention curriculum, school and community projects, classroom activities, community support and resources, a strong and consistent administrative and faculty effort, and intervention and disciplinary procedures will be utilized.

ALCOHOL/DRUGS/MOOD-ALTERING SUBSTANCES - shall include any alcohol or malt beverage, any drug listed in Act 64 of 1972 as a controlled substance, chemical abused substance or medication, for which a prescription is required under the law, and/or any substance, which is intended to alter mood, mental, and/or physical functions. Examples of the above include, but are not limited to beer, wine, liquor, marijuana, hashish, chemical solvents, glue, look-alike substances, stimulants, and any capsules or pills not registered with the nurse, annotated within the student's health record, and given in accordance with the school district policy for the administration of medication to students in school.

DISTRIBUTION - to deliver, sell, pass, share or give any alcohol, drug or mood-altering substance determined to be illegal or harmful, as defined by this policy, from one person to another; or to aid therein.

POSSESSION - to possess or hold, without any attempt to distribute, any alcohol, drug or mood-altering substance determined to be illegal or harmful as defined by this policy.

UNCOOPERATIVE - Students suspected of being under the influence of drugs or alcohol must be examined by the nurse for signs that would indicate use of alcohol or drugs by that student. Any refusal or resistance to be examined by the school nurse, as outlined in the nurse's protocol, by a student and/or a parent or guardian of said student suspected of being under the influence of alcohol or drugs will be viewed as that student being in violation of the drug and alcohol policy and viewed as indicative that the student is under the influence and has consumed drugs or alcohol either at school or prior to coming to school or a school event. Refusal to cooperate with the nurse will

result in the student being in violation of the drug policy and subject to the school discipline penalties as defined in Situation 6 in the drug and alcohol policy.

NURSE'S PROTOCOL - For the safety and security of the student, the nurse provides a preliminary examination of any student who is suspected of possible drug use as evidenced by the physical appearance, behavior, and smell of student. This examination may include an examination of a student's pupils, breathing, heart rate, pulse, skin color, odor and other tell tale physical signs that are readily observable and that the examination is proper and reasonable.

TESTING - East Allegheny reserves the right to test any student for being under the influence of drugs or alcohol who demonstrates physical, observable symptoms that may indicate the student is under the influence of said drugs and alcohol. Students who refuse to submit to a test will be considered to be under the influence of drugs and alcohol, and will be subject to punishment under the drug and alcohol policy.

A copy of the district's Drug and Alcohol policy and attachments are available for parents to review online or upon request.

Obviously, the administration has developed this homework policy upon a theoretical base that supports its need. The rationale for assigning the aforementioned type and amount of homework to students is based upon these principles:

1. Homework can reinforce what was learned in the classroom by providing an opportunity to assimilate, practice, and apply new concepts. It takes time for learning to crystallize in some students. After a new phase of subject is taught, homework can provide practice and a chance for the pupil to solve variations of the problem.
2. Home study allows students to complete unfinished class assignments and make up work missed during absences. One of the prime advantages of homework is to allow the student to make up work missed during absences. This is only true, however, when proper instruction precedes the assignment.
3. Homework can provide a background for classroom activities by allowing students to preview work that is to be taken up in the near future. This goal involves searching for sources of information, formulating questions that will need to be answered and organizing tentative groups (committees) for an all-class attack on a new unit. A preview further permits the teacher to diagnose areas of academic strength and weakness.
4. Home assignments allow teachers to adjust class instruction to individual differences in ability and interest.
5. The material studied in class sometimes needs to be supplemented by projects that cannot be done in class. Homework allows worthwhile projects such as reviewing materials, watching special TV programs or writing themes, reports.

The following four homework advantages serve to enhance and enrich the learning process in general:

1. Home study gives the pupil the experience of working by himself. This experience will help him develop initiative, self-discipline, responsibility and independence.
2. Homework can help the student develop the study skills needed for obtaining knowledge independently. Permanent leisure interests in learning may be developed by homework that calls for a questioning and searching attitude.

Many homework assignments enrich the classroom experience by

relating what has been learned in school to everyday problem solving situations in the home, the community, and the nation.

A 24 hour notice should be provided when requesting work due to student absence.

90%-100%	=	Superior
80%-89%	=	Above Average

60%-69%	=	Need for Improvement
Below 59%	=	Failing
E	=	Excellent
S	=	Satisfactory Progress

<u>Honor Roll:</u>	Receive a 3.50-3.74

TUTORING

Tutoring programs provide students with extra help in academic subject areas. Tutoring is the approach many teachers and parents take when they see a child struggling with reading, mathematics, or other specific subjects. Students are encouraged to take advantage of after school tutoring. Please contact your child's teacher to discuss tutoring opportunities.

INTERIM REPORTS

Progress reports will be mailed home four times a year. Please review them with your child. Students then have sufficient time to improve their performance before the end of the marking period when a grade is recorded. In addition, teachers will contact parents by phone if a student is experiencing difficulty in specific subject areas. **Students should be encouraged to take advantage of after school tutoring.**

HOMEBOUND INSTRUCTION

If a student is absent from school for an extended period of time due to illness or injury, a homebound instructor will be assigned to go to the student's home. The *Districts Verification Form* from a physician will be required stating the illness and approximate length of absence from school.

HOME STUDY

Homework allows the student to apply concepts learned in class, take responsibility for doing a task on his own and practice study skills. Suggested time allotment may be roughly determined by multiplying the grade the child is in by 10. This indicates the minutes recommended for homework assignments. When a student is absent, it is his/her responsibility to make up all missed work. Parents can request homework through the office with 24 hours notice for preparation of materials.

PARENT COMMUNICATIONS

If parents wish to speak with a teacher personally, they are encouraged to call the school office and arrange for the teacher to return the call. A note or e-mail is also a convenient way to communicate with your child's teacher. **Teachers are expected to return calls within 24 hours.** **Teacher contact information is also listed on our website.**

Students assigned to alternative education or the Cyber Day Program are provided both academic support and behavior modification. The goal of these programs are to help students acquire the academic and social skills to be successful in the regular educational classroom. When students demonstrate positive academic and behavior choices, they are returned to the regular education setting. The program continues to monitor and support student achievement.

RETENTION GRADES 7-8

Seventh and eighth grade students are required to pass four (4) academic classes in order to attain full status in the next grade level. Failure in three (3) academic classes is an automatic retention. Students who fail two (2) academic classes (English, science, math, social studies, and reading), will be required to attend summer school and to pass those two (2) classes successfully in order to advance to the next grade level. If the student is unsuccessful in this attempt or fails to attend, s/he will be retained entirely. If the seventh (7th) or eighth (8th) grade student fails only one (1) academic class, s/he will be recommended to attend summer school and to pass the one (1) class successfully.

EARLY DISMISSAL

Children will NOT be excused during the time school is in session except for reasons approved by the principal. If possible, medical and dental appointments should be arranged after school hours. All shopping and social engagements should also be scheduled after school hours. Requests for early dismissal must be made in writing and signed by the parent. Telephone requests WILL NOT be granted.

No child will be excused at any time, other than regular dismissal times, without permission from the parent or guardian. When a home emergency arises and a request for a child to leave school is made, the person making the request must be personally identified as the parent / guardian or as one bearing the written request of a parent or guardian. Parents who request such dismissals are to call for the child at the office.

Students may never leave the building without permission.

If it is necessary for a child to leave school for health reasons, the nurse or school office will make arrangements with the parents or person designated on the Emergency Care Card. Every child must go directly home from school unless accompanied by their parent or guardian. If other arrangements are scheduled, a written request signed by the parent or guardian must be presented at the office prior to dismissal from school.

SCHOOL CLOSINGS AND DELAYS

School closings and delays because of inclement weather will be announced on major radio and television stations. Unscheduled early closings due to equipment failure or weather may also be necessary. Each child should know where to go if an emergency arises, if school is dismissed early and parents are not home. These closings will also be announced on major radio and television stations.

Certain situations, such as a gas leak, water line damage, etc. may necessitate the emergency evacuation of students. The school district conducts periodic drills to be prepared for emergency incidents.

When necessary, the District's mass communication system, ParentLink, will be utilized. ParentLink will send a message recorded by the District to the phone numbers the school has on file for you.

TESTING PROGRAM

State mandated testing is conducted at various grade levels. The results of these tests provide a continuing record of each child's academic progress in comparison with national norms. Teachers use them to diagnose individual strengths and weaknesses and to provide instruction. Children's scores on all tests are reviewed carefully and maintained in the school records as long as the child attends schools in this district. Should the child transfer to another school district, copies of his/her records will be transferred to the new district.

WHO OWNS OUR SCHOOL?

YOU DO! Your parents and all taxpayers are legally required to pay taxes that build and maintain the public school system. Everyone pays taxes in one form or another. Therefore, any damage done to this building, equipment, buses, or books must be paid with your own family's money! While you may not engage in this type of behavior, which increases the cost to your parents, neighbors as well as yourself, it is not enough! You must help protect the school by discouraging such activity by others. We should not do anything that would detract from our own reputation or that of our school. Please help us to keep our building clean and safe as an example of our pride in ourselves and our school. Thank you.

ANTI-BULLY CONTRACT

I _____ agree to work to stop bullying at our school.

Bullying is defined as intentionally aggressive behavior that can take many forms (verbal, physical, social/relational/emotional, or cyber bullying — or any combination of these); it involves an imbalance of power, and is often repeated over a period of time. The bullying can consist of one child bullying another, a group of children ganging up against one lone child, or one group of kids targeting another group.

Common behaviors attributed to bullying include put-downs, name calling, rumors, gossip, verbal threats, menacing, harassment, intimidation, social isolation or exclusion, and physical assaults.

I believe that no student deserves to be bullied and that every student regardless of race, color, religion, nationality, size, gender, popularity, athletic, academic, or social ability, or intelligence has the right to feel safe, secure, and respected.

I agree to:

- Treat other students with kindness and respect.
- Not engage in verbal, relational, or physical bullying or cyber bullying.
- Be aware of the school's anti-bullying policies and procedures.
- Abide by the school's anti-bullying policies and procedures.
- Support students who have been victimized by bullies.
- Speak out against verbal, relational, and physical bullying and cyber bullying.
- Notify a parent, teacher, or school administrator when bullying does occur.
- Be a good role model for other students.
